### Library Statistics

#### Public Libraries Annual Report

Find related links and other information about this report, required by Texas public libraries for accreditation.

#### Texas Public Library Statistics

Search the Texas public library statistics by year, city, library, or county to find information on the budget and operations of Texas public libraries. The data may also be downloaded and imported into a spreadsheet or database. Use the Texas Public Library Summary to find analytical tables and statistical summaries of the individual library data.

#### Texas Academic Library Statistics

Find statistical information on libraries in four-year public and private academic institutions, two-year academic institutions, and medical and law institutions in Texas.

#### Other Library Statistics Sources

Find statistical information on libraries from other sources here, including tools that allow comparison with libraries nationwide.
